TABOR COLLEGE-WICHITA
COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Objective

The College Level Examination Program provides people of all ages and backgrounds an opportunity to demonstrate college-level proficiency on the basis of examinations designed to reflect college course curriculums. Tabor College believes that those deserving credit should receive it and therefore has established a policy that rewards and encourages self-motivated learning.

Cost and Registration

Tabor does not charge any fee for granting the credit, but there is a standard fee for taking the exam and the testing center may charge an additional registration fee. The tests may be taken at any convenient test center. Tests are administered once a month. Registration must be received three weeks prior to the test date. For registration forms and further information, contact the Program Representative at Tabor College Wichita.

Granting of Credit

The maximum amount of credit by examination which may be applied to the l24 semester hours required for the completion of a Bachelor's Degree is 45 hours.

Credit by CLEP exam will be graded "Credit" and will not be computed into the student's GPA.

CLEP credit will be identified on the transcript as credit received through CLEP examinations.

CLEP exams may not be used to replace grades earned in residence. A course may be repeated only by re-enrolling and completing a Tabor resident course or by taking an institutional challenge exam.

Students need to submit a copy of their score reports so they can be evaluated according to our CLEP policy for both the minimum score and the amount of credit given.

See page two for list of exams, score required, credit given, and equivalency to Tabor courses.

SUBJECT EXAMS

CLEP subject tests correspond to particular Tabor courses. They may be treated as prerequisites for subsequent courses.

Subject exams may be taken at any time but no credit will be given if course work has already been taken in that subject area.

The following subject exams are currently accepted for credit by Tabor College:

	CLEP Exam	Score	Credit Hrs	Tabor Course
*	Accounting, Introductory	50	3	BA 121
