Notes:

1) Students may not take exams at any time other than the scheduled time except by permission of the instructor and the Academic Dean. Forms are available in the Academic Offices on which the student may request to have an exam changed, the reason for the change, and the new time of the exam. The form must first be signed by the instructor and then by the Academic Dean. Students with more than two exams per day will normally receive this permission, but permission will not always be granted for other reasons. **The deadline for these requests is Dec. 1 for Fall Exams and May 1 for Spring Exams,**

2) Students who need to make travel or car pooling arrangements should do this at once to avoid conficts with exams. Since enough time is being given for students to make such arrangements, permission will not be given for students to get an exam changed to accommodate travel schedules.

3) Regular cafeteria hours will be observed during finals week.
