Tabor Summer Online 2013 Payment Plan

The following guidelines are for payment for your online summer classes.

Summer Session 2013: June 03, 2013 – July 19, 2013

A $300 ***non-refundable*** *deposit is required at time of enrollment as a good faith statement to participate in the summer online program at Tabor College.*

1) Full financial settlement must be made by June 03 unless a plan for payment is approved by the Office of Business Services.

Any remaining balance that will not be covered by loans, scholarships, other institutional aid, or the minimum deposit will require a monthly payment plan or a plan for payment approved by the Office of Business Services. If any balance remains after June 03 a $50.00 financial settlement fee will be assessed.

2) If full financial settlement will not be made by the deadline date, a ***non-refundable*** deposit of $300.00 will be required at time of enrollment regardless of pending aid or loans or other approved plans for payment. If a deposit is not made, the College reserves the right to deny privileges of class attendance/participation. For continuing students that are scheduled to receive financial aid in the summer, your aid must cover all tuition and fees. Any remaining balance not covered by aid and/or the minimum deposit will require a plan for payment by June 03.

3) Arrangements for monthly payments must be made with the Office of Business Services.
A $75.00 installment payment plan fee will be assessed.

4) A monthly fee of $25.00 will be charged on any unpaid balances which are not included in an approved installment payment arrangement; as well as for each late payment in an approved payment plan.

5) Should approved arrangements for payment not be on record in the Office of Business Services or should payment due dates be missed, denial of privileges as stated above will be initiated by the Vice President for Business and Finance in consultation with other members of the college administration.

6) Beginning the process of, or completing, applications for financial aid does not take the place of financial settlement with the Office of Business Services.
