Foreword

The Tabor College Fact Book is intended as a single, consistent information source of facts related to Tabor College. It is a summary of institutional data gathered from both Hillsboro and Wichita campuses. Multiple years of data and/or data from our benchmark institutions are provided for context when appropriate. While not comprehensive, the Fact Book provides relevant facts and figures for administrators, faculty, staff, students and constituents.

We strive to make this publication a useful reference while at the same time enhancing your understanding of the scope and development of the college. We welcome your comments and suggestions, which can be directed to Frank Johnson, Vice President of Academic Affairs and Academic Dean.

Reading the Fact Book

Data is presented in graphs when appropriate, integrating data and text when possible. Not all data is conducive to graphing and, as such, has been presented in charts or narrative. Notations are provided indicating the data source.

Information appropriately formatted for insertion was inserted as received, thus there may be variances in format. Information which was received as raw data has been converted to text, charts and/or graphs by Tabor College Institutional Research staff.

Pictures have been provided by Vance Frick, Campus Photographer and Graphic Designer.

We are committed to improving this publication and would appreciate any feedback regarding clarity and readability. Comments may be directed to Frank Johnson, Vice President of Academic Affairs and Academic Dean.

Mission, Vision and Core Values

Tabor College, as a ministry of the Mennonite Brethren Church, accepts the *Confession of Faith of the Mennonite Brethren Churches of the United States* adopted in 1999. Mennonite Brethren follow evangelical Anabaptist theology, which emphasizes new birth into Christ and faithful discipleship, a mission of personal evangelism and social justice, and obedience to the Bible as interpreted within the community of faith.

Mission

Preparing people for a life of learning, work and service for Christ and His kingdom.

Vision Statement

Tabor College's vision is to be the college of choice for students who seek a life transforming, academically excellent, globally relevant, and decidedly Christian education.

Core Values

The core values that influence the mission and vision of Tabor College include a commitment to being Christ-centered in all aspects of life, a passion for learning, the promotion of service to others, and meaningful involvement in college and community activities.

Christ-centered:

The primary value of Tabor College is its desire to be a Christ-centered institution. All activities and programs flow out of this value and are evaluated in reference to it. The Mennonite Brethren Confession of Faith provides the biblical and theological foundation for the institution.

Learning:

The purpose of Tabor is to promote learning. Tabor recognizes that learning occurs in informal settings as well as in the classroom and organized field experiences. Our goal is to develop students who are broadly educated, competent, and embrace the joy of learning which will last a lifetime.

Service:

Service is at the heart of Christ-centered education. We emphasize the value of caring for others in all that we do.

Involvement:

We believe that being engaged increases learning. Participation, both in the formal classroom and outside of it, is an effective way to prepare students for a life of work and service.

Community:

Tabor values community. It desires to be a place where individuals feel like they belong, where there is a sense of mutual support, and members hold each other accountable.

The Hillsboro campus serves mainly traditional-aged students and is located in Hillsboro, Kansas, (population approximately 3,500) an agricultural area 50 miles north of Wichita.
