

If you haven't already done so, or if it has been 6+ months, install and use the **NExTT PIC** App from [Google Play](#) or [iTunes](#). Your card information will appear in your account within a few days. [Here's How](#).

If you are purchasing the student health plan through United Healthcare, use this app as soon as you receive your card.

Enter:

1. School Name: Tabor
2. Student Name
3. Student ID # **OR** Birth Date
4. Continue
5. Click Attach Front – hover and focus camera over front of card and app will snap photo. Repeat for Back of card.
6. **Submit**
