Canvas is Tabor College Online's learning management system which makes distance delivery of online courses and resources possible. Online students and those courses with important online components will be found here. Here you'll find all of your online course materials, including syllabus, schedule, discussions, and gradebook.

To access Canvas, go to https://tabor.edu/online/ then scroll down and click on the yellow "**Class Access**" button. You can find it directly, by visiting https://tabor.instructure.com/.

Campus Cafe is the place you go to for things like billing statements, degree audits, course enrollments and grades. To get to Campus Cafe, go to https://tab-web.scansoftware.com/cafeweb/loginsso. Campus Cafe has the same login credentials as your email and Canvas.

Library

Tabor College Online students have access to a vast library of electronic and periodicals databases, books, articles, and more through [the Library on the Hillsboro campus](#). Your student ID card grants you access to the Library both in-person and online, and you may request books from Tabor's Library through the Library's online resource catalog as well as from any other library in the country (and many others worldwide) through Inter-Library Loan.

Most of our TCO students use the Library remotely via its electronic resources.
