positions available!*

JOB DESCRIPTION:

Integrated Behavioral Technologies, Inc. (IBT) is a group of caring individuals whose goal is to provide children and their families with the behavioral therapy services they need to succeed. We are a not-for-profit 501(c)3 organization that serves children across the state of Kansas with a focus on rural and low-income areas. IBT is hiring a bilingual, Somali-speaking Direct Service Provider in the Kansas City, Kansas and surrounding areas.

DSPs work as part of a treatment team implement behavioral interventions using an applied behavior analytic framework. Candidates must be enthusiastic, flexible, and have a strong interest in working with children with special needs, particularly those on the autism spectrum.

This position can help you gain experience with neurotypical individuals working on motor, communication, behavior and self help skills!

RESPONSIBILITIES:

Act professionally | Data collection | Engage in good communication skills | Experience working with individuals with autism (preferred qualification)

REQUIREMENTS:

****High school diploma or equivalent**

****Possess a valid ID, have reliable transportation and maintain appropriate auto insurance (unless previously agreed upon)**

****Pass criminal background checks as required by each funding source.**

****Possess interpersonal skills necessary to effectively communicate with clients, caregivers, and team members**

****Be willing to work on a flexible schedule: Morning, Afternoon, Evening, between 8am-8pm, and some weekends**
