Analysis:

TC had twelve graduates for the 2020-2021 academic year. Of those, eight (67%) continued on as teachers, with four who did not pursue a career in teaching. Of the eight, there was an equal distribution of those serving in rural and urban schools. Three of the eight are serving outside of Kansas. Four of the eight are in Elementary schools, and the others are in high schools teaching English language Arts, Music, Math, and Social Sciences. Only one of the eight is working in a private school.
