

POSITION DESCRIPTION

Position Title: Director of Central Kansas Entrepreneurship Center (CKEC)

Work Schedule: 12 Months Per Year; full time with the possibility of teaching as a part-time faculty member

Supervisor: Vice President of Academic Affairs

Programs and Events

- Plan and lead events for aspiring entrepreneurs (e.g., pitch competitions, workshops, guest speakers)
- Promote events through social media, the web, and local media
- Organize and run the Youth Entrepreneurship Challenge

Client Support and Community Connections

- Meet with clients to offer support and guidance
- Maintain a network of mentors and partner organizations
- Connect clients with helpful resources and people
- Collaborate with local schools to encourage young entrepreneurs
- Work closely with Tabor College, the city, and community partners

Center Operations

- Manage office hours at the CKEC at Tabor College
- Hire, train, and supervise student workers
- Create systems for working with clients

Reporting and Development

- Submit quarterly reports to the City of Hillsboro and other partners
- Seek funding opportunities for the CKEC
- Support recruitment of students to Tabor's entrepreneurship programs

Required Qualifications & Abilities

- Experience in entrepreneurship or small business support
- Strong planning and communication skills
- Ability to work well with diverse groups
- Demonstrable faith in Jesus Christ

Preferred Qualifications & Abilities

- Experience mentoring entrepreneurs
- Familiarity with Kansas business support networks
- Background in education or college settings
- Fundraising or grant writing experience
